Resort Vehicles

Clients travel in Bike Verbier vehicles entirely at their own risk. It is a gratuitous service that we will try to maintain, however may be withdrawn due to circumstances beyond our control.

Rider responsibility

All riders ride entirely at their own risk and must make their own judgements on their abilities. Bike Verbier staff cannot be held responsible for any injuries sustained whilst riding.

All Bike Verbier clients must have Insurance cover for their stay.

Insurance

Mountain biking involves an element of risk like all activity sports. At Bike Verbier we insist that all our guests must have suitable insurance cover to come on a Bike Verbier holiday. The excellent quality of Swiss healthcare does not come cheaply so it is unwise to come on an activity holiday without insurance. We recommend Sportscover Direct sportscoverdirect who have 10 day policies starting from around £26. We also recommend you bring your European Health Insurance Card (used to be EIII).
